Agenda:

1. **Arrivals/Procedures:** All Mosaic Prek, PS 28's PreK, 1 & 2 grade students will enter through back yard gate for am arrivals where they will present health screening and have temperature checks. All Kindergarten students will enter through main lobby and follow same procedures. Stepping up for all grades will be completed by week of September 27.
Dismissals will run on a staggered schedule where students will enter the school yard and parents will meet them by the 2 back gates.
2. **Evacuation Drills-** Driills will be conducted as scheduled through out the year. Mr.Quintana discussed the number and types of drills to be had with the team. Ms. Pizzitola also expressed that the AED team will need to be retrained this coming spring.
3. **Covid-19 Procedures:** If there is a need for any PPE or sanitizing wipes all staff has been asked to email Heide who in return will relay all messages to the custodian Mr.Brand. There will be on going weekly testing.
4. **Issues Concerns:** Double Parked cars and cars blocking the school yard entrances have been addressed to our NYPD as well as local politicians. Additionally staff has raised concern towards parents entering the building through the school yard during school hours. We have taken care of this matter through school messenger and class dojo and have informed the parents that everyone should enter through the main lobby.
