

Safety Meeting 11/17/21

Attendees: R.Quintana, L.Pizzitola, R.Jacklitsch, J.Battaglia

Agenda

- **Arrivals/Dismissals**- going well
-
- **PS 28 Pop-up Vaccination**- some parents wanted to know if it was a biweekly thing at SLT but Mr.Quintana said the DOH chooses a site and the city at any point can reach out to the principal and say they will use the site again. We had about 20 students and 1 community member who were vaccinated.
-
- **Cracks in school yard**- Staff that goes out for recess be vigilant because our school yard is dipping/sinking as well as students trip from broken asphalt. We put cones in places that need to be watched. We reached out to Councilmen Francisco Moya in capital gains regarding capital improvement money for repairs. Be careful of people running and walking.
-
- **Evacuation Drills/Lock Downs**- We need 3 more fire drills and 2 more lock downs by December. We are getting out of the building in 3 minutes or less. If staff member or student is injured or using a scooter or wheelchair to go to the fire safety room.
-
- **AED Training**- all members of the AED team are scheduled to be retrained this spring. Ms. Pizzitola will be reaching out to Emergency Skills to secure a date for training. As soon as the date is secured she will notify the office so that coverages can be made for those involved.
